COIN LAUNDRY SOLUTIONS

DOMUS is offering complete solutions for the coin sector since the beginning.

A wide range of machinery to suit any coin business, and now going one step further with services and new business proposals.

Clean+us

Domus Heavy Professional 8 and 10 kg washers and dryers are ideal for the small coin businesses such as hairdresser's, camping sites, gyms, nurseries, hotels, etc.

We propose this nice corner with **Clean+us**, a fresh design and a ready to use pack.

APPLICATIONS

- | | |
|---------------|--------------|
| CAMPING | HOTEL GUESTS |
| RESTAURANT | GYM |
| NURSERY | SCHOOL |
| HAIRDRESSER'S | SUPERMARKET |

DOMUS supplies the designs for free. The customer needs to size and print the vinyl at his own expenses.

STACK PACK

DOUBLE PACK

Clean & Go

By Domus

A complete design proposal for your coin shop: machines and complements can be adapted to the most suitable business size.

DOMUS supplies the designs for free. The customer needs to size and print the vinyl at his own expenses.

Washing

- 1 Load your garments into the machine and lock the door safely.
- 2 Select the washing program with the arrows on the touch screen also.
- 3 Go to the central pay, insert coins or card and select your machine number.
- 4 Press start on the touch screen of the washer.
- 5 When the cycle has finished, open the door and unload.

Washing and drying instructions on the wall

Drying

- 1
- 2
- 3
- 4
- 5

You can choose among different payment options in the laundry: central pay, coiners or the new DOMUS LAUNDRY App thanks to the IoT.

Clean&Go

By Domus

CLEAN & GO by Domus is a laundry with a daring, modern and functional design to create and decorate your own coin laundry.

Signage

The most varied messages to be adapted to your space: opening times, front shop, instructions, wifi corner, prices, etc.

Proposal of a laundry shop

Ozone cabinet

The ECO3 cabinet series are cabins designed to DEODORIZE and SANITIZE all kinds of clothes, accessories and materials by using ozone.

Helmets, jumpsuits, jackets, boots, hats, caps, toys and teddy bears, bags, stuffed animals, bedspreads, pillows, curtains, pet beds and clothes...

It is also ideal for highly elaborated costumes and clothing that cannot be water washed, dried or ironed.

Machines solutions

Specific machine for the washing of animal laundry

DROP&GO service

A complement section to the self-service shop for those people who have no time to wash and iron: they can leave their clothes in a locker and the laundry staff will wash and iron the load of garments for them in a professional way

Clean & Go

By Domus

25

You only need **25 sqm** and a minimum investment to have your own laundry

- A possible proposal:

Your self-service business

A whole world of benefits

Business management

With information about production, productivity, machine availability, turnover and much more, you will be able to make the best decisions for the business.

Customers require reliability and efficiency, and you want to offer them this. Traceability of the washing and drying cycles is vital for ensuring **maximum hygiene**.

Process control

Control of the programmes run or currently running, comparisons and historical and current information will help you to guarantee the **quality and hygiene** of the process.

The remote application shows you the RABC graphs, the programmes run including detailed information about temperatures, comparisons of processes, etc.

THE INTERNET OF THINGS

Statistics

Financial, by schedule, technical, traceability and programmes

Remote desktop

Monitors, blocks and operates the machines in real time and remotely

Data

Download all the data in Excel

Remote technical service

Data recovery for after-sales service, error warnings, software updates...

Management of the laundry

You can monitor your business:

- Create programmes/discounts
- Control schedules
- Control income, earnings
- Creation of groups of machines (by shop, by version, etc.)

Geolocation of the machines on a world map.

DOMUSCONNECT IoT

Your self-service laundrette

Signing up to DOMUS LAUNDRY is the most convenient option for operating from your mobile phone: when you need a laundrette, select the nearest shop, reserve the machine and on completion, pay using your mobile phone.

You can also receive statistics about all your washes and take advantage of special deals.

DOMUSLAUNDRY

Install the APP

You will locate shops and you can book machines easily using a QR code.

Check the availability of machines and reserve yours at any time.

The **APP** notifies you of the end of the cycle via e-mail.

You will receive special offers, discounts and news conveniently on your mobile phone.

Manage and organise your expenditure with information such as accumulated turnover.

APP with payment gateway, payments using QR code.

Extremely safe communication

You will receive a PUSH notification on your mobile phone
